### WHAT IT MEANS TO BE SAVED

1. *Admit that you are a sinner.*
2. *Admit that God says all sins must be paid for.*
3. *Accept the fact that Christ took upon Himself the suffering necessary to pay for all your sins.*
4. *You must change your mind about sin and sinning (God calls this repentance).*
5. *By an act of your will, accept by faith the Lord Jesus Christ, who can save you from the penalty of sin. Then, tell God about this in a simple prayer. Believe that God keeps His promise to save you, and thank Him for His salvation.*

### Please Remember To Be Faithful to Give!

As with everything else, the costs of keeping a church going never go down - they always go **up**. Bills wait for no one, and churches are no exception to this. An extra, sacrificial gift today by everyone present would go a long way...

We encourage all of our membership to practice obedience to God by being faithful every payday to give back to Him His tithe (10%). *If every family in our church would practice this one simple discipline, we would never have weeks where we have to put off paying some bills until the following week!*

Everything is expensive, especially for a small church like ours, but ours is a BIG God, and He LOVES to bless His children when they are obedient to Him!

If you are already a tither, we thank you, and encourage you to also give offerings as well. If you're currently not tithing, won't you please start **today - OK?** Thank you.

## 50 Ways to Use Gospel Tracts

The following are 50 responses to a Moments With The Book poll asking tract buyers how they have used tracts in the past. You might not agree with all of the items below (we certainly wouldn't use some of them), but hopefully they will give you some ideas of how you can use the "silent messengers" where you live.

No matter where or how you choose to distribute tracts, we have these suggestions:

1. Obey all local ordinances. (Some areas or stores, including the US Post Office, have prohibited the distribution of literature). This also includes littering, etc.
2. Leave at least two copies of a tract so someone will feel better about not taking the last one. Plus you'll double the number of souls witnessed to!
3. Most importantly, ask God to use you, seek the guidance of the Holy Spirit for each tract placed, and then pray for the Lord of harvest to bless it.
