**GIVE OUT A GOSPEL  
TRACT THIS WEEK!**

**WHAT IT MEANS TO BE SAVED**

1. **Admit that you are a sinner.**
2. **Admit that God says all sins must be paid for.**
3. **Accept the fact that Christ took upon Himself the suffering necessary to pay for all your sins.**
4. **You must change your mind about sin and sinning (God calls this repentance).**
5. **By an act of your will, accept by faith the Lord Jesus Christ, who can save you from the penalty of sin. Then, tell God about this in a simple prayer. Believe that God keeps His promise to save you, and thank Him for His salvation.**

**Please Remember To  
Be Faithful To Give!**

As with everything else, the costs of keeping a church going never go down - they always go **up**. Bills wait for no one, and churches are no exception to this. An extra, sacrificial gift today by everyone present would go a long way...

We encourage all of our membership to practice obedience to God by being faithful every payday to give back to Him His tithe (10%). *If every family in our church would practice this one simple discipline, we would never have weeks where we have to put off paying some bills until the following week!*

Everything is expensive, especially for a small church like ours, but ours is a BIG God, and He LOVES to bless His children when they are obedient to Him!

If you are already a tither, we thank you, and encourage you to also give offerings as well. If you're currently not tithing, won't you please start **today - OK?** Thank you.

REMINDER

Gaston & LeFou in "Beauty and the Beast"

**DISNEY CONTINUES TO  
ACT AS A SOCIAL  
CHANGE AGENT**

Disney continues to act as a major social change agent by its attempt to normalize and glorify homosexuality. Its new remake of **Beauty and the Beast** features a homosexual relationship. Movie director Bill Condon says, "**LeFou** [a companion of Gaston] *is somebody who on one day wants to be Gaston* [a muscular hunter who wants to marry Belle, the 'beauty'] *and on another day wants to kiss Gaston. He's confused about what he wants. It's somebody who's just realizing that he has these feelings. And Josh makes something really subtle and delicious out of it. ... at the end ... it is a nice, exclusively gay moment in a Disney movie*" ("Beauty and the Beast Remake," Christian Headlines, Mar. 2, 2017). Fallen human nature has many "feelings" that are powerful and "natural" but unlawful before God, but modern society denies God and seeks to legitimize all human feelings through a relativistic morality.

Few men have had more influence on American society and the modern global culture than Walt Disney. He pioneered the American animation industry and captivated children's hearts with cartoon characters such as Mickey Mouse and Donald Duck. He took Hollywood fantasy to a new level of influence with the building of Disneyland in California and Disney World in Florida. Disney's animated classics are filled with pagan and occultic imagery such as witches and demons, sorcerers and spells, genies and goblins, which is strongly denounced by Scripture. Like Harry Potter and Lord of the Rings, Disney cartoons present the false and damnable concept that there is good and bad magic.

Disney did not attend church, and there are no churches on Main Street in Disneyland or Disney World, even though there were churches on practically every main street in America when Disneyland opened in 1955. Multitudes of Christian parents have unwisely allowed Disney's cartoons and movies to influence their children. When Disneyland opened, Time magazine featured Walt Disney on its cover and called him "**the poet of the new American humanism.**" Indeed. The acceptance of Hollywood's "entertainment" by American churches over the past half century helped paved the way for the wholesale apostasy that we witness today and the destruction of morality in society at large.
