WHAT IT MEANS TO BE SAVED

1. *Admit that you are a sinner.*
2. *Admit that God says all sins must be paid for.*
3. *Accept the fact that Christ took upon Himself the suffering necessary to pay for all your sins.*
4. *You must change your mind about sin and sinning (God calls this repentance).*
5. *By an act of your will, accept by faith the Lord Jesus Christ, who can save you from the penalty of sin. Then, tell God about this in a simple prayer. Believe that God keeps His promise to save you, and thank Him for His salvation.*

Please Remember To Be Faithful to Give!

As with everything else, the costs of keeping a church going never go down - they always go **up**. Bills wait for no one, and churches are no exception to this. An extra, sacrificial gift today by everyone present would go a long way...

We encourage all of our membership to practice obedience to God by being faithful every payday to give back to Him His tithe (10%). *If every family in our church would practice this one simple discipline, we would never have weeks where we have to put off paying some bills until the following week!*

Everything is expensive, especially for a small church like ours, but ours is a BIG God, and He LOVES to bless His children when they are obedient to Him!

If you are already a tither, we thank you, and encourage you to also give offerings as well. If you're currently not tithing, won't you please start **today - OK?** Thank you.
