WHAT IT MEANS TO BE SAVED

1. Admit that you are a sinner.
2. Admit that God says all sins must be paid for.
3. Accept the fact that Christ took upon Himself the suffering necessary to pay for all your sins.
4. You must change your mind about sin and sinning (God calls this repentance).
5. By an act of your will, accept by faith the Lord Jesus Christ, who can save you from the penalty of sin. Then, tell God about this in a simple prayer. Believe that God keeps His promise to save you, and thank Him for His salvation.

Please Remember To Be Faithful to Give!

As with everything else, the costs of keeping a church going never go down - they always go *up*. Bills wait for no one, and churches are no exception to this. An extra, sacrificial gift today by everyone present would go a long way...

We encourage all of our membership to practice obedience to God by being faithful every payday to give back to Him His tithe (10%). *If every family in our church would practice this one simple discipline, we would never have weeks where we have to put off paying some bills until the following week!*

Everything is expensive, especially for a small church like ours, but ours is a BIG God, and He LOVES to bless His children when they are obedient to Him!

If you are already a tither, we thank you, and encourage you to also give offerings as well. If you're currently not tithing, won't you please start *today* - OK? Thank you.

REMINDER

America's Sin In Forgetting God

by Evangelist Joseph T. Larsen

(this article is from the July 1933 Moody Bible Institute Monthly)

AMERICA'S greatest sin and the real cause of the present depression is forgetting God. That means failure to obey God, to listen to His Word, and to bring up our children in the nurture and admonition of the Lord. Godlessness leads to disregard for law, corruption in politics, fraud in educational and state life, and hypocrisy in the Church.

America has forgotten God! Its parents, youth and citizens as a whole - these have forgotten God. Even ministers, educators and church officials have forgotten God. True, millions of Christians have not yet forgotten God, but the whole tendency in state life, school life, commercial life, and even in religious circles, is to forget God.

Though there are fifty million church members in the nation and many more Christians who are not church members, yet there are about seventy million outside the churches, living as if there were no God or hereafter.

America's History Has Been Phenomenal

From the first there were many immigrants coming to America seeking religious liberty. In godly worship they settled our eastern shores, then moved westward, until they settled almost three million square miles of territory. They built cities, made marvelous inventions, improved everything possible, and now support approximately 124,000,000! For 157 years, God has been the God of this nation, piloting us safely through the pioneer periods, the five wars for freedom of oppressed peoples; and as a culmination, the people following the recent period of prosperity, have turned largely away from God! Then came the events which brought a general depression!

How Does America Forget God?

By largely banishing the Bible from schools and by misinterpreting it in universities, criticizing it in theological seminaries and colleges, and scoffing at it among the infidels and atheists of the nation. False cults numbering nearly ten million are sweeping the land with propaganda of denial, deceit and devilish doctrines. Atheists, modernists and communists have formed a deadly alliance against God, Christ, the Church, and the Bible. *"But he that sitteth in the heavens shall laugh, the Lord shalt have them in derision."*

Pleasure, newspapers, magazines, business and society have largely taken the pre-eminent place that God and Christian living ought to take. Crime gets the eye, not Christ! Society not salvation, business and not betterment of souls, money and not missions, earth and not Heaven is foremost in thinking. True, there are a few million Christians in America who still adore, worship and serve Him; but they are like salt in a rotting nation.

Judgment Is Coming

Ancient Babylon, Greece, Rome, Medo-Persia, Assyria, and other empires all forgot God, and have been ruined and forgotten; but only until the judgment!

Oh, citizens of America! Will you ever learn a lesson from past history, from experienced adversity, from former judgments on the nations, that forgetting God does not pay? Can the professing Church of today continue to exist if she joins the world, praises the communists and denies God's divine rulership?

(continued inside)

Macaulay, the English historian, writing nearly one hundred years ago, said of America, ***“She will be pillaged and looted in the twentieth century by vandals, and forces within her will cause her destruction.”*** Indications prove him to be right, and unless something can be done by godly people to stem the tide of lawlessness, communism, modernism and immorality, she will go the way of the ancient nations. Will Christians, will governmental leaders, will its citizens awaken in time or too late?

What Will Cause America to Return to God?

Only a nation-wide revival of Christian teaching, the preaching of a crucified Christ, the return to the Bible, banishing communism, deposing false cult-teachings, baring worldly and sinful amusements, and all dangerous teachings in our public schools. God must find His rightful place in human hearts, the family altars must be restored, and the Church must cease pandering to worldly aspirations.

The prodigal son “came to himself,” and America must come to herself. God's voice calls upon her to repent, confess her sins and return to the God of love and life. Mercy pleads with justice, grace pleads against judgment, truth opposes falsity, and wisdom foresees coming disaster, unless there is a change through national revival.

May God's faithful ones keep crying to God for a revival and “give him no rest” until He hear from Heaven with a mighty power as of old. Let us pay unceasingly, ***“Wilt thou not revive us again, that thy people may rejoice in thee?”*** (Ps. 85:6)

NEWS OF INTEREST TO CHRISTIANS

• **JAMES ROBISON JOINS THE POPE'S ECUMENICAL CRUSADE** - James Robison, former Southern Baptist evangelist turned charismatic, has joined hands with Pope Francis to build a one-world church. On his blog, Robison described his June 24 audience with the pope, calling it a “supernatural gathering at the Vatican.” The pope cleverly used “evangelical” terminology to describe his heretical Catholic doctrine, saying that he wanted “everyone to have a personal life-changing encounter with Christ,” ignoring the fact that Rome's dogma teaches salvation through the sacraments, beginning with baptism.

The very gullible James Robison gave the pope a “high five,” thus fulfilling the warning of Romans 16:17-18. Robison wrote, “This week I was blessed to be part of perhaps an unprecedented moment between evangelicals and the Catholic Pope. On Tuesday, for nearly three hours, a few of us were blessed to meet in an intimate circle of prayerful discussion and lunch ... We continued in such glorious fellowship that words could never begin to describe it. I am fighting back tears even as I write, so glorious was the manifest presence of Jesus. I couldn't help but wonder in those moments if Jesus, as He did when Stephen was stoned leading to the conversion of Saul of Tarsus to become Paul the Apostle, perhaps once again stood at the right hand of the Father looking down on that scene in Rome between Evangelicals and the Pope, turn to the Father and say, ‘Look, I

think my prayer is about to be answered. Look, Dad...” (Robison, “Witnessing the Miracle Jesus Prayed For,” JamesRobison.net, June 26, 2014).

The papal audience was attended by James and Betty Robison, John Arnott (leader of the “Toronto Blessing” where people screamed, jerked, laughed hysterically, howled like wolves, brayed like donkeys. and clucked like chickens), Tony Palmer, Kenneth Copeland, and others. Palmer, who was the pope's representative to Pentecostals and who arranged for the pope to send ecumenical greetings to the Pentecostal pastors attending a Kenneth Copeland crusade in February, was killed June 20 in a motorcycle crash.

• **THE SOURCE OF JAMES ROBISON'S FRIGHTFUL BLINDNESS** - James Robison is a loud warning of the danger of the charismatic movement. In the 1970's, Robison was a strong Southern Baptist evangelist, preaching boldly against the theological liberalism that had permeated his denomination and that urgently needed to be rooted out, but during a personal spiritual crisis in 1982, and at the urging of his wife Betty, he allowed a charismatic preacher named **Milton Green** to minister to him. Green said Robison was “the most demonized man I ever met,” and Robison claims that his “deliverance” was like a giant claw being removed from his brain.

I don't know what happened to Robison in that strange encounter, but I do know that as a consequence of his experience he turned away from reproving sin and false teaching and made a radical turn to the ecumenical philosophy. He began to focus on non-judgmentalism and “unity” and began developing close relationships with the most radical of charismatic preachers, such as Paul Yonggi Cho, Paul Crouch, Kenneth Copeland, and Oral Roberts. In the Jan.-Feb. 1986 issue of his magazine, **Days of Restoration**, Robison said: ***“There are going to be MIRACLES, SIGNS AND WONDERS surpassing anything seen even in New Testament times. ... EVERY TRUE DISCIPLE WILL BE DOING THE KIND OF WORKS JESUS DID.”***

Robison even apologized for his part in the struggle between conservative Bible believers and theological liberals in the Southern Baptist Convention. He visited liberal Baylor University and apologized to the leaders, when he should rather have rebuked them for giving the wicked doctrine of evolution and other heresies a haven in this Baptist institution. At the July 1987 North American Congress on the Holy Spirit and World Evangelization, the newly minted charismatic Robison praised the Mary-venerating Pope John Paul II and said, ***“People who know it really believe he is a born again man.”*** I was seated only a few feet from him when he said this, having attended the conference with media credentials.

The charismatic movement and its contemporary music is the most effective building block of the one-world church. Any spirit that does not reprove error and heresy is not the Spirit of God, who is called the “Spirit of truth” four times in Scripture.
